5) Treasurer's Report and Vouchers - Jim Tooley reconciled the vouchers and Bank Statements. The members reviewed the April 30th Balance Sheet and the budget report to that date. Reviewing the January - April budget - revenues should be at 33% for the year but are at 50% at this point. Expenses are at 34.6% of budget. Motion to accept the Treasurer's report (Tooley/Groves-Lloyd) - motion passed.

6) Correspondence - We received correspondence from Roberta Arnold questioning the bonding/insurance aspects concerning our liability of Jay's taking on the role of Treasurer. We wondered if he wasn't covered under the Town of Lodi's insurance/bonding. This issue remains unresolved.

Staffing Report

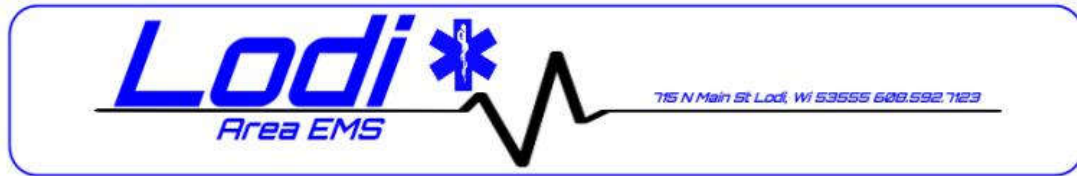

- In the process of a reorganization of duties. Staff will have areas of responsibility and report back versus having each task delegated.
- We will begin using our Elite system for accountability of station duties and other assigned duties.

Recruitment Report

- I am hoping to bring on several members for fall classes. I will have a recruiting station set up at the open house and will be posting to social media for this.

Equipment Report

- Our new ambulance has been in service several weeks and is a big improvement over our older one. North Central Sales completed some reprogramming on the software, replaced a backup camera and installed some dividers in drawers.

- Rescue 2 (2009 MedTec) was sold to Sauk Prairie Ambulance for \$15,000. We also sold them our cot for \$5,000.00. Cot was purchased with donated funds several years ago.
- Communication in the new ambulance (front to back) is difficult. We are researching various communication options to solve this issue.

Building Status

- Garage Door repairs are still awaiting Northland Door and insurance company remediation. Insurance is stating the door was repaired and it does not need to be replaced. I have placed the two into contact with each other and am waiting to hear the outcome.
- Carpet was installed and looks great. Munson flooring donated some labor to this as well.

Community Relations

- Open House scheduled for this weekend, May 19th from 11-2.
- EMS Week is next week, many hospitals having events and treats. We will hold our meeting and have an appreciation dinner prior to training.
- Corn Boil preparations starting. We will be adding a live band this year thanks to Katie.

Respectfully Submitted,
