Re: **Columbia County V Improvements**

Project ID 5843-00-03
Okee – Harmony Road
STH 113 – Rapp Road
County V
Columbia County

Planned improvements for County V, between WIS 113 and Rapp Road, will be discussed at a Public Involvement meeting on Thursday, August 9, 2018. The meeting will be held from 6:00 p.m. to 7:30 p.m. at the Lodi Town Hall, W10919 County Road V, Lodi, WI. The Lodi Town Hall is compliant with the Americans with Disabilities Act (ADA).

This meeting will provide the public with a project update since the last Public Involvement Meeting held on November 29, 2017. A summary of the proposed improvements and corresponding schedule will be discussed with an opportunity to ask questions. Proposed improvements include the realignment of CTH V at the Shamrock Road/Old Sauk Road intersection, replacing the existing bridge deck and rehabilitating the existing bridge structure on the causeway and providing sidewalk and additional parking to improve safety for pedestrians and vehicles. This project is adjacent to publicly owned property; Madeline Summers Park, Okee Lake Park, and the Lake Wisconsin Boat Access (Okee Landing) on Old Sauk Road. See enclosed exhibit.

The public is encouraged to attend the meeting, provide input, and ask questions concerning this project. The meeting will be organized in an open-house format with a brief presentation beginning promptly at 6:00 p.m. Representatives from Columbia County and Ayres Associates Inc will be available to discuss the project and to answer questions. Persons with a concern for or knowledge about historic buildings and structures and archaeological sites are encouraged to attend this meeting or provide comments to Ayres Associates Inc.

Citizens who are hearing-impaired and require an interpreter may request one by contacting Dan Schrum at least three working days prior to the meeting via the Wisconsin Telecommunications Relay System (dial 711). Persons who are unable to attend this meeting can contribute comments about this project by contacting Dan Schrum with Ayres Associates Inc at 608-443-1277.
