

State Project ID 5843-00-73  
CTH V  
Okee – Harmony Road  
STH 113 – Rapp Road  
Columbia County

Update Date: July 12, 2019

## Weekly Project Update

### **General Project Information –**

The project will reconstruct CTH V in Okee from STH 113 to the east end of the causeway. CTH V will be realigned at the STH 113 intersection and Shamrock Road/Old Sauk Road to improve geometry. Sidewalk and storm sewer will be installed on the north side of CTH V between Old Sauk Road and Lake Wisconsin, and on the south side between Madeline Summers Park and Lucky's on the Lake restaurant. The bridge deck will be replaced on the structure over the Spring Creek inlet to extend the service life and improve the bridge railing. The railroad crossing on CTH V will be reconstructed and new signals and gates will be installed. Work is scheduled for completion in late October 2019. The schedule is subject to change based on weather conditions.

### **Work this week –**

- Installed traffic control and detour signs.
- Installed erosion control devices.
- Mailboxes along CTH V were relocated to Shamrock Road.
- Fire numbers were relocated outside of the grading limits.
- Construction match limits were laid out.

### **Work scheduled for the next week –**

- Perform clearing and grubbing.
- Extend a sanitary service lateral near Old Sauk Road.
- Begin installing storm sewer system along the north side of CTH V. Crews plan to start on the west end of the causeway and will work to the west.

### **Traffic impacts –**

- CTH V, between STH 113 and Rapp Road, will be closed to thru traffic but local access will be maintained for residents and businesses. A detour utilizing STH 113 to CTH J to CTH V will be posted for the duration of the project.
- Use caution while driving within the project limits.

### **Contact information –**

- The project field office is located in the vacate lot at the corner of CTH V and Old Sauk Road in Okee.
- Business and property owners can contact the on-site Project Engineer Alex Passow at 715-892-7296, email: [apassow@msa-ps.com](mailto:apassow@msa-ps.com) or the WisDOT Project Manager Greg Brecka at 608-245-2671, email: [gregory.brecka@dot.wi.gov](mailto:gregory.brecka@dot.wi.gov).
